

GIHANSA BUWANAYAKE

UNDERGRADUATE SOFTWARE ENGINEERING

PROFILE

Final-year Software Engineering undergraduate with real experience building and delivering Flutter applications for actual clients, from initial client communication through to Play Store deployment. My UI/UX background helps me build apps that are both functional and great to use. I am always eager to pick up new technologies and grow through hands-on work.

SKILLS

- **Programming Languages :**
Dart, JavaScript, TypeScript,, SQL
- **Mobile App Development :**
Flutter, MVVM Architecture
- **Web Development :**
React.js, Next.js
- **Backend & APIs :**
Node.js, RESTful APIs, API Integration
- **Databases & Backend Services :**
Firebase, Supabase(PostgreSQL), MongoDB
- **Tools & Platforms :**
Git, GitHub Actions, Postman, Figma, Docker

AFFILIATIONS

- **IEEE Computer Society of NSBM**
→ Executive Committee Member
- **Compuvate Association of NSBM**
→ Executive Committee Member

EDUCATION

- **NSBM Green University (2023 - Present)**
BSc Hons Software Engineering (Plymouth University UK)

PROJECTS

- **Mind Print**

Link: <https://github.com/ghsenu/Mind-Print>

A role-based mobile and web platform for field staff to log sales and attendance, with a web admin dashboard for analytics and reporting.

→ Flutter, Dart, Supabase, PostgreSQL, Hive, Next.js, MVVM

- **Astrolift**

Link: <https://www.dizzpy.dev/projects/astrolift>

A full-stack gym management web app covering memberships, workouts, payments, and attendance with role-based access for admins, trainers, and members.

→ Next.js, Node.js, Express, Docker, TypeScript, GitHub Actions

- **Movie Ticket Booking**

Link: <https://github.com/GaruVA/movie-ticket-booking>

A movie ticket booking system developed in Java that simulates features like browsing available movies, selecting showtimes, reserving seats, and processing bookings

→ Java, JavaScript, CSS

HACKATHONS

- **IEEEExtreme 18.0**

Completed the 24-hour global coding challenge as part of Team “**Team404**”, placing Top 10th in our university.
